

## Dietitian 2

---

### Job Description

As a Dietitian 2, you would be a member of an interdisciplinary team and provide Medical Nutrition Therapy which may include consulting with physicians on nutrition support requests; planning and supervising the preparation of special diets and menus; maintaining safe and sanitary conditions; and training or assisting individuals, families and staff to plan specialized and therapeutic nutrition care plans. You may have oversight responsibility in the service of food; assist in the instruction of students or nutrition interns in Medical Nutrition Therapy and food preparation techniques, supervise dietetic interns and technicians; and/or supervise a small food preparation service unit.

### Minimum Qualifications

Current registration with the CDR as a Registered Dietitian (RD) or certification as a Dietitian-Nutritionist by the New York State Education Department (NYSED) and a minimum of an additional 400 hours of supervised dietetics practice under the supervision of an RD. The additional 400 hours required is in addition to the 800 Hours of supervised dietetics practice under the supervision of an RD required for NYSED Certification.

### Salary Range (Effective 4/4/2024)

Includes location pay and other salary adjustments:

Location (County)	Minimum Salary	Maximum Salary
Dutchess, Orange, Putnam	\$66,651	\$84,306
Rockland, Westchester, Bronx, New York, Kings, Queens, Richmond, Nassau, Suffolk	\$68,401	\$86,056
All counties other than those above	\$65,001	\$82,656

### Additional Requirements for Appointment

1. Background checks are required.

## Dietitians

2. Medicaid and Medicare: To be eligible for appointment and maintain employment, you cannot be listed as an excluded individual or entity on any of the Federal and/or State Medicaid and Medicare exclusion lists (or excluded from any other Federal or Federally assisted program). You may be barred from appointment or your employment may be terminated at any time if you are listed as an excluded individual or entity on any of these lists (or excluded from any other Federal or Federally assisted program).
3. If appointed, you may be required to become an enrolled Medicare provider; obtain and provide to your employer a National Provider Identifier (NPI) number issued by the National Plan and Provider Enumeration System (NPPES); and otherwise actively participate to the degree necessary to allow for your services to be billed through Medicare and Medicaid. If you are appointed and are required to become a Medicare Provider and lose the ability to bill through Medicare and Medicaid, you may be terminated from your employment.
