MEMORANDUM

To: Mainstream Medicaid Managed Care Plans and HIV Special Needs Plans (MMCPs)
From: New York State Office of Mental Health (NYS OMH)
Date: June 23, 2021
Subject: New Youth Assertive Community Treatment (ACT) Teams

The purpose of this memo is to provide additional information related to the previous Youth ACT memo dated and distributed May 28, 2021. Due to the number of inquiries, the State is providing the preliminary list of providers who are in the process of becoming licensed so MMCPs may begin the outreach and contracting process. The previous memo stated that licensure of these Youth ACT teams was anticipated for July 1, 2021 however due to delays, the new ACT teams may not be licensed by this date. The Office of Mental Health is engaged in the licensing process and plans to issue Operating Certificates as soon as possible. These providers will be added to the Exhibit 4 for July 2021 and moving forward, in a separate tab, until they are licensed. Once they are licensed, they can be located in the OMH licensed tab labeled "OMH."
