988 Crisis Lifeline

A New Crisis Resource for New York
988 is the new three-digit number that connects people to the National Suicide Prevention Lifeline. This service is for anyone who is:

- suicidal
- experiencing a mental health or substance use-related crisis
- experiencing any kind of emotional distress

988 provides easy access to the National Suicide Prevention Lifeline network and related crisis resources. This is different from 911, where the focus is on dispatching Emergency Medical Services, fire, and police as needed. The goal of 988 is to meet the country’s growing suicide and mental health-related crisis care needs.

Contacting 988 is a free service.

What is the difference between 988 and 911?
