NYS Office of Mental Health Office of Quality Improvement
Incident Management, NIMRS & Special Investigator Training
Fall 2018

The OMH Office of Quality Improvement is offering training on Incident Management Regulations and Reportability, use of NIMRS and best practices to conduct a special investigation. The training is designed exclusively for staff of OMH operated or licensed facilities that **conduct investigations or directly supervise those conducting investigations.**

This is a basic course intended for new investigators with priority given to those who have not previously attended this training or the Special Investigation Training offered by the Justice Center. **The training is a 2-day intensive workshop held from 9am – 4pm each day.**

Participants will learn:

- What type of incidents are reportable to OMH and the NYS Justice Center
- Who is responsible for reporting incidents and how to report?
- Key incident related terms and definitions
- How to conduct a special investigation to be in compliance with OMH Part 524 regulations?
- How to use the New York State Incident Management Reporting System (NIMRS)
