

OMH Statewide Virtual Town Hall

Featuring Commissioner Ann Sullivan, M.D.
Wednesday, November 8, from 1 p.m. to 3 p.m.

OMH is conducting a Statewide Virtual Town Hall with **Commissioner Ann Sullivan, M.D.**, presenting and taking feedback on several key priorities under the OMH Strategic Plan. This event will provide the public an opportunity to learn more about the OMH vision for the future, including progress on the Commissioner's top policy and planning priorities presented at last year's town hall.

OMH is dedicated to providing individuals and families access to quality, integrated services and supports that foster recovery and well-being; public input is crucial in assisting the agency in meeting the needs of all of the people we serve. All comments will be reviewed and considered in the development of the annual OMH Statewide Comprehensive Plan pursuant to Section 5.07 of the New York State Mental Hygiene Law.

Accessible Online via WebEx

The town hall will be held online via WebEx in order to maximize access for public participation, with limited in-person seating available in Albany for attendees who are unable to access the event online. Comments and questions can be presented both online and in person for those attending at the OMH Central Office.

Registration will be available online soon. If you require any special accommodations to participate in the event or have questions about the format, please contact Janise Carmichael at **(518) 486-3293**.
