Mental Health

Using MyCHOIS for Recipients

Michelle Rahm, Research Scientist
Office of Population Health & Evaluation

NOVEMBER 18, 2025

Q&A via WebEx

- All phone lines are muted
- Access “Q&A” box in WebEx menu at the right of your screen; if you expanded the view of the webinar to full screen, hover cursor top center of screen to see menu
- Type questions using the “Q&A” feature
 - Submit to “All Panelists” (default)
 - Please do not use Chat function for Q&A
- Today’s training will be recorded, and the recording/slides will be sent to all attendees after the webinar

Agenda

- MyCHOIS overview
- How to request access & login to MyCHOIS
- Navigating MyCHOIS (web & mobile app)
 - Review your treatment data
 - Add plans & documents
 - Browse the recovery library
 - View crisis hotlines, crisis resources, and more!
- Frequently asked questions
- MyCHOIS technical support

MyCHOIS Overview

What is MyCHOIS?

- My Collaborative Health Outcomes Information System (MyCHOIS)
- MyCHOIS is an application within the PSYCKES database that can be used for both Medicaid and Non-Medicaid recipients. It's tool you can use to help track your health information and view other crisis and recovery resources, including:
 - My Treatment Data (e.g., services, medications, diagnoses)
 - My Plans & Documents (e.g., create a safety plan or Psychiatric Advance Directive)
 - Pat Deegan's Recovery Library, CommonGround survey
 - Crisis hotlines and resources
- Available as both a web and mobile application!
 - The MyCHOIS mobile app is available in iOS (App store) and Android (Google Play store)

MyCHOIS Goals

- MyCHOIS aims to:
 - Increase empowerment among recipients
 - Improve communication between you and your clinician
 - Promote person-centered care and recovery
 - Enhance the ability for shared clinical decision making

How to request access to MyCHOIS

Requesting access to MyCHOIS

- If you're interested in viewing your treatment data and other resources included in MyCHOIS, you will need to provide the following information to either your provider or to the PSYCKES Helpdesk:
 - Required:
 - Your name, date of birth, & address
 - One form of photo ID **OR** two forms of non-photo ID
 - NY.gov ID username
 - Preferred:
 - Medicaid ID or Social Security Number

NY.gov ID

- NY.gov ID is an online service that allows you to use your login username and password to sign in securely to any NY.gov ID participating government online service
- To protect your data, your provider or the PSYCKES Helpdesk uses your proof of identity and NY.gov ID username to securely allow access to your treatment information
 - **NOTE:** Your MyCHOIS account will be linked using your NY.gov ID username
- Once your MyCHOIS and NY.gov ID accounts are linked, you can use your NY.gov ID username and password to login to MyCHOIS
- For information on how to create a NY.gov ID account or to find out if an account for you already exists, you can view our [How-To Guide for Clients to Obtain NY.gov ID Account Information](#) user guide

Requesting access to MyCHOIS

- **Option 1: Provider grants access**
 - You can request a MyCHOIS account from a provider that you're currently working with who has PSYCKES access
 - Give your provider the required information (e.g., name, date of birth, address, forms of ID, NY.gov ID username)
 - Providers can follow the steps in the [MyCHOIS How-To Guide for Providers Creating Client Accounts](#) user guide to create a MyCHOIS account and link it to your NY.gov ID account
 - If your provider doesn't have PSYCKES access or has questions on how to create or link a MyCHOIS account, they can contact the PSYCKES Helpdesk at: PSYCKES-Help@omh.ny.gov

Requesting access to MyCHOIS

- **Option 2: PSYCKES Helpdesk grants access**

- If your provider is unable to grant you access or if you would prefer not to request access from your providers, you may reach out to the PSYCKES Helpdesk to request that a MyCHOIS account be created for you
- You can email the PSYCKES Helpdesk at: PSYCKES-Help@omh.ny.gov
 - Available Monday-Friday, 9AM-5PM
- You can provide the required information (e.g., name, date of birth, address, forms of ID, NY.gov ID username) to the PSYCKES Helpdesk securely in a password protected document (e.g., Excel, Microsoft Word, etc.)
 - If you need assistance with password protecting a document, the PSYCKES Helpdesk can provide you with those instructions
- Once your identity has been confirmed, the PSYCKES Helpdesk can create and link your MyCHOIS account to your NY.gov ID account

How to login to MyCHOIS

How to login to MyCHOIS

- Once your provider or the PSYCKES Helpdesk has linked your NY.gov ID username to your MyCHOIS account, you will then be able to login to the MyCHOIS application!
- To login to MyCHOIS on the web:
 - Navigate to the PSYCKES Homepage (www.psyckes.org)
 - Select 'MyCHOIS' from the lefthand navigation menu
 - Click 'Login to MyCHOIS'
 - Select 'External/Local Provider'
 - Enter in your NY.gov ID username and password
 - Click 'Sign In'

1. Go to
www.psyckes.org

2. Select “MyCHOIS”
in the navigation
menu

PSYCKES Home

PSYCKES is a HIPAA-compliant web-based application designed to support clinical decision making, care coordination, and quality improvement in New York State.

LOGIN TO PSYCKES

What's New?

- **PSYCKES new features release 8.4.0** 📄 went live on September 2, 2025. Updates include:
 - Separation of My QI Report's Indicator Set Tabs
 - Update to Health Home Plus (HH+) Eligibility Criteria
 - New Service Settings: Youth - ACT, Crisis Stabilization Center, and Comprehensive Outpatient Program (COP)
 - iOS Mobile App Enhancements
- Visit our **PSYCKES Training Webinars** page to register for upcoming live webinars!
- Instructions for how to use the Self-Service Console are available on our **Login Instructions** page. The console is a way to manage your RSA token and PIN, which are needed to login to PSYCKES. If you ever need to reset your own PIN or request, activate, or troubleshoot a token, the console is the place to go!

How to login to MyCHOIS

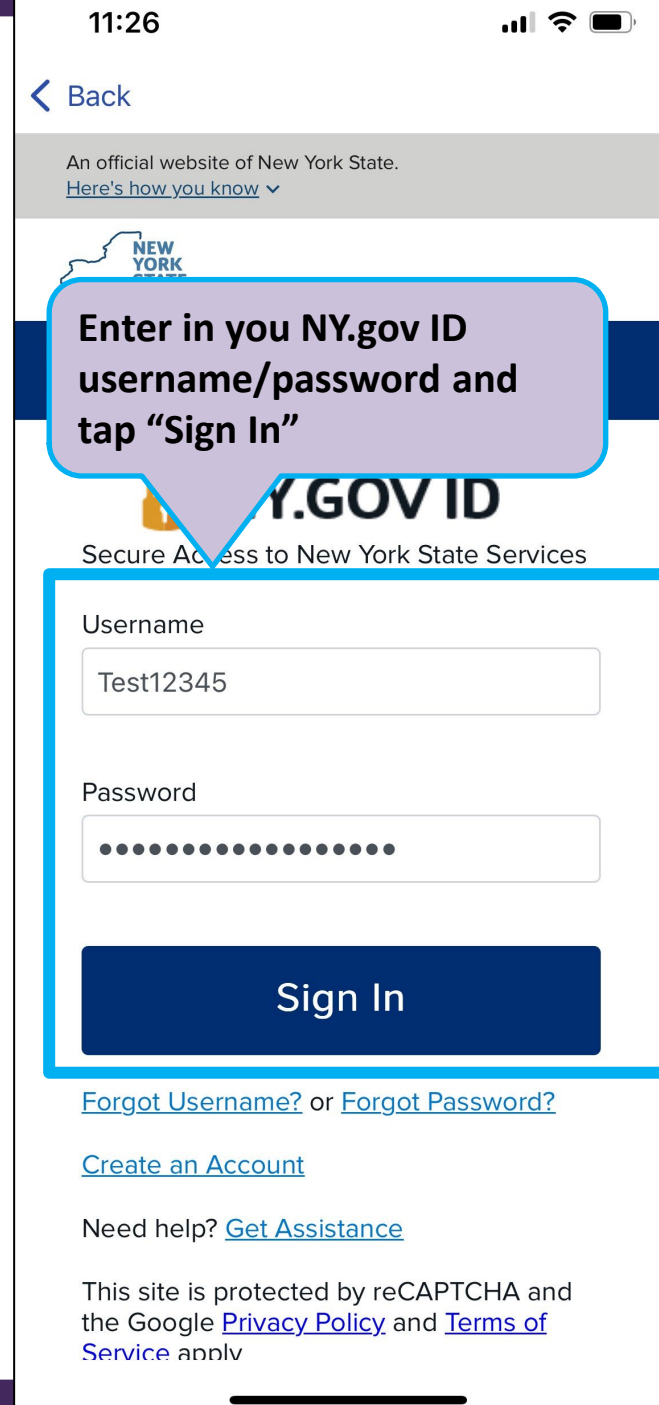

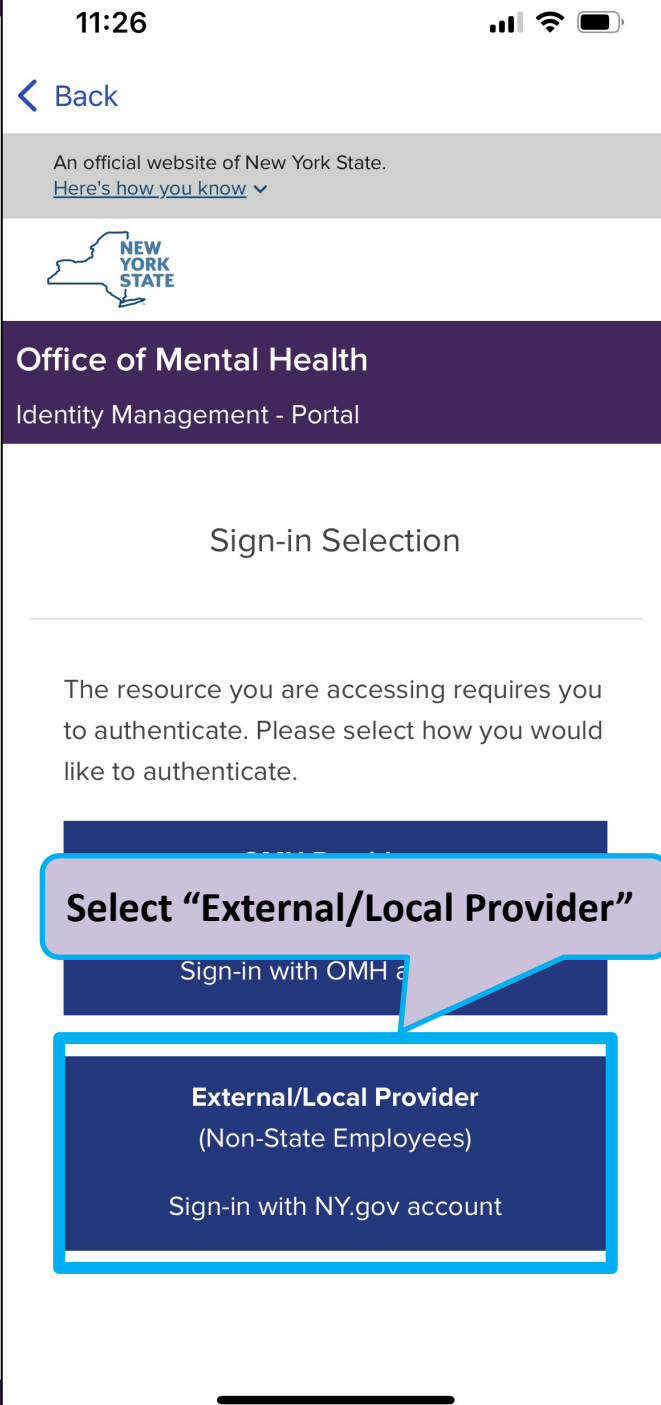

- To login to MyCHOIS on your mobile device:
 - In the app store (iOS) or Google Play store (Android), search for “MyCHOIS” or “MyCHOIS RFMH”
 - Download & open the MyCHOIS app
 - Go to the ‘Account’ screen
 - Select ‘Sign in with NY.gov ID’
 - Select ‘External/Local Provider’
 - Enter in your NY.gov ID username and password
 - Tap ‘Sign In’

Look for this app icon!

The image shows the MyCHOIS app icon, which consists of the word "MyCHOIS" in a bold, purple, sans-serif font, centered within a white square with a thin black border. A blue speech bubble points from the text "Look for this app icon!" to the icon.

ADVANCE DIRECTIVE FOR MENTAL & PHYSICAL HEALTH CARE

I, _____, hereby make known my desire that, should I lose the capacity to make health care decisions, the following are my instructions regarding consent to or refusal of medical treatment, and if I choose, the designation of my health care agent. I intend that all completed sections of this advance directive be followed.

PART I. HEALTH CARE PROXY

A. **APPOINTMENT OF A HEALTH CARE AGENT:** I hereby appoint the following individual as my health care agent to make any and all health care decisions for me, except to the extent that I state otherwise. This health care proxy shall take effect when and if I become unable to make my own health care decisions.

(Agent's Name)

(Agent's Home Address)

(Agent's Telephone Number)

B. **AUTHORITY OF HEALTH CARE AGENT:** My health care agent may make decisions regarding* (choose ONE):

- ☐ all mental and physical health care
- ☐ mental health care ONLY
- ☐ physical health care ONLY
- ☐ the following health care decisions ONLY

Note: While you may limit your health care agent's decision-making authority, you cannot appoint more than one health care agent at a time. For example, you cannot appoint one health care agent to make only physical health care decisions and another one to make only mental health care decisions.

Behavioral Health Diagnoses

Primary, secondary, and quality flag-related diagnoses (most frequent first)

Schizoaffective Disorder • Tobacco related disorder • Cannabis related disorders • Schizophrenia • Unspecified/Other Psychotic Disorders • Cocaine related disorders • Other psychoactive substance related disorders • Unspecified/Other Anxiety Disorder • Brief Psychotic Disorder (ICD10 Only) • Unspecified/Other Depressive Disorder • Alcohol related disorders

Click on a diagnosis to view more details such as when and where the diagnosis was given

Medical Diagnoses

Primary, secondary, and quality flag-related diagnoses (most frequent first)

Certain infectious and parasitic diseases	Unspecified viral hepatitis • Chronic viral hepatitis • Scabies • Other bacterial agents as the cause of diseases classified elsewhere
Codes for special purposes	COVID-19

Statewide Warmlines

A warmline, (also known as a helpline or hopeline), is a phone number you can call to get support and learn about available mental health and recovery resources relevant to you or your loved ones. These are often staffed by people with lived experience of mental health issues to provide peer support and information.

Mental Health Empowerment Project (MHEP) Warmline

MHEP's peer support line is a private phone line that you can call to get support and connect with a trained peer support person. This line does not collect personal information, perform assessment, or call crisis or the police.

1-800-643-7462

Available 24/7

National Alliance for the Mentally Ill (NAMI) helpline

The NAMI HelpLine is a free, peer-support service providing information, resource referrals and support to people living with a mental health condition, their family members and caregivers, mental health providers and the public.

(518) 245-9160

Available M-F 8am-3pm

Peer Support Warmline – Mental Health Association of the Southern Tier

This warmline is for people who need to talk to someone with lived experience that can provide empathy and understanding.

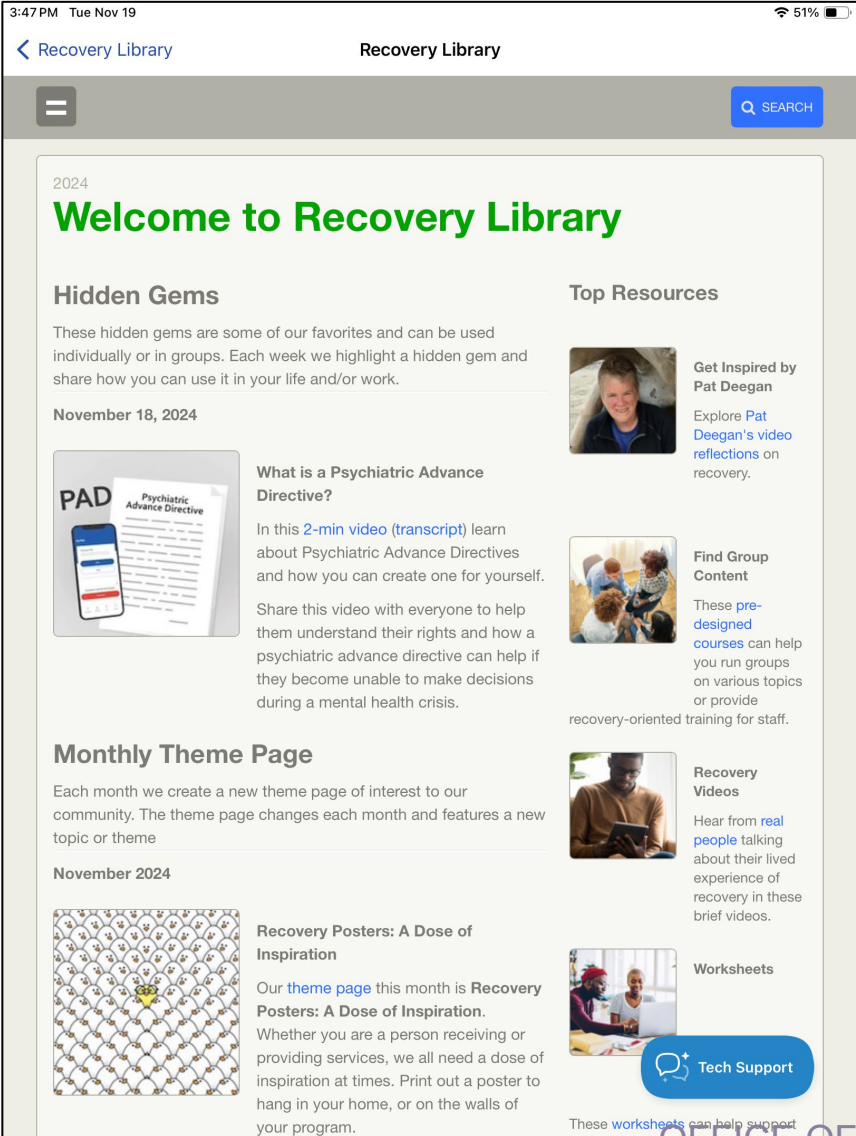

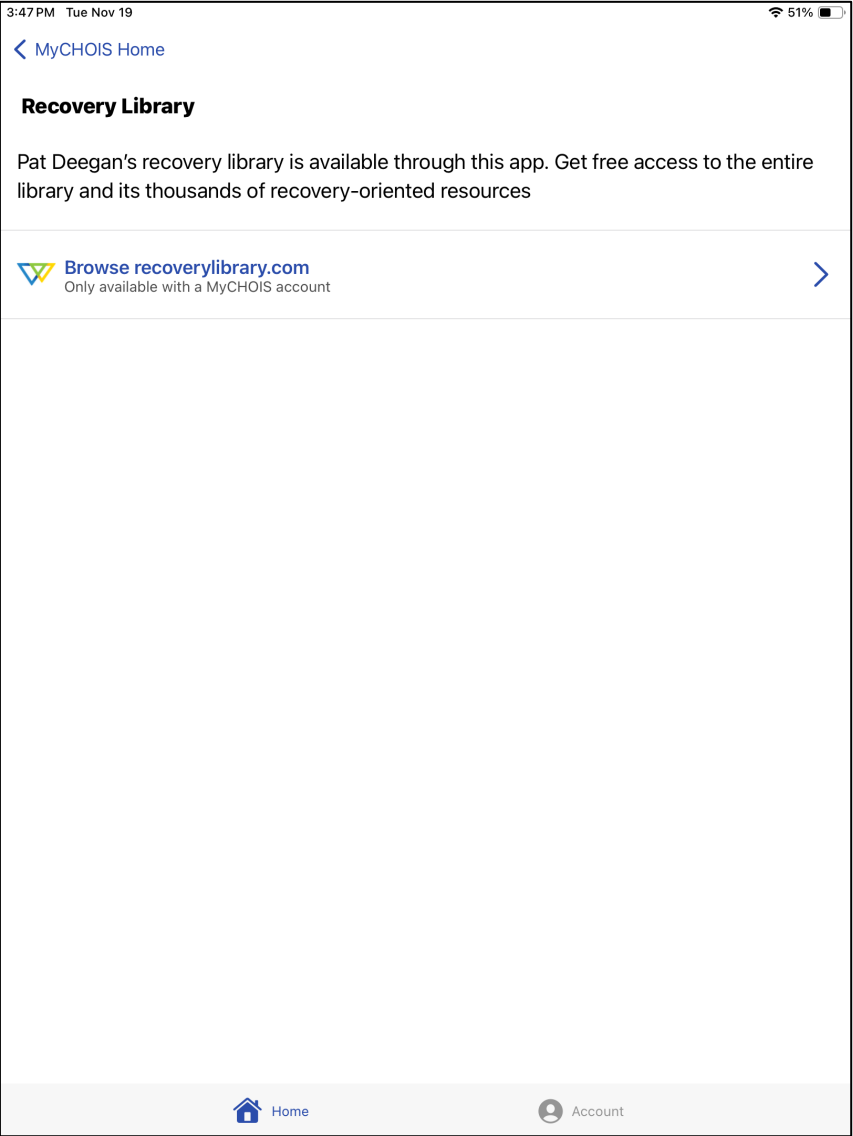

(607) 240-7291

Available M-F 8am-3pm

About MyCHOIS

Frequently Asked Questions

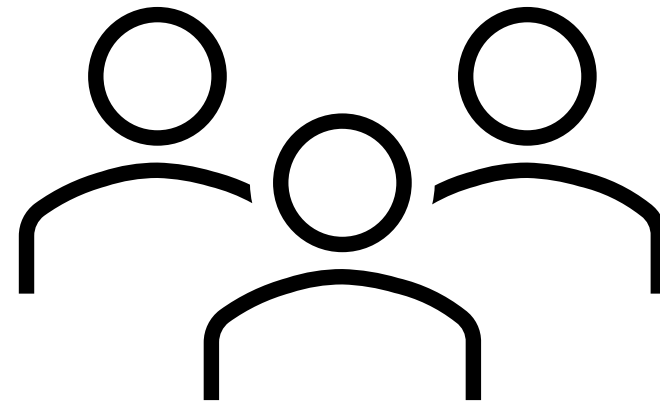

MyCHOIS FAQs	Answers
Where does my health information come from?	Your treatment data in MyCHOIS, comes from the New York State (NYS) Office of Mental Health Psychiatric Services and Clinical Knowledge Enhancement System (PSYCKES) database. The PSYCKES database stores some of your medical history and other information about your health.
What information is included in My Treatment Data?	Any of your health services paid for by Medicaid in the past 5 years will be included in your record. Your online record also includes your health information from other NYS databases, and new databases may be added. For the current list of data sources and more information about PSYCKES, go to: www.psyckes.org and see “About PSYCKES”, or ask your provider to print the list for you.
Who will see my data and how will it be used?	The information will be safeguarded just like your medical record. Only staff members with your signed or verbal consent, or if there is a clinical emergency, will be able to view your information in order to help deliver the right level of care to you.

MyCHOIS FAQs	Answers
What if I think a provider has accessed my health information improperly?	There are penalties for improper access to or use of your health information. If you ever suspect that someone has seen or accessed your information – and they shouldn’t have – call the NYS Office of Mental Health Customer Relations at 800-597-8481.
How can I withdraw my consent?	You can withdraw your consent at any time by signing and submitting a Withdrawal of Consent Form to your provider. You can get the Withdrawal of Consent form at www.psyckes.org or by contacting your provider.
What is a Safety Plan?	A Safety Plan is a plan that you create for yourself, which lists out ways to gain support and stay in control even in a crisis. The MyCHOIS Consumer app uses the Stanley Brown Safety Plan template. When completing a Safety Plan, you would fill out information on warning signs, coping strategies, social supports, how to make the environment safe, and a reason for living.

MyCHOIS Technical Support

We'd love to hear from you!

- Please share with us things you like, dislike, or would love to see included in the MyCHOIS application!
- If you'd like to share your feedback with us, please reach out to our PSYCKES Helpdesk and let us know your thoughts on the MyCHOIS web and mobile applications:
 - PSYCKES-Help@omh.ny.gov
