Notice of Public Hearing

OMH Statewide Virtual Town Hall Featuring Commissioner Ann Sullivan, M.D.

Tuesday, November 13, 2018

1:00 p.m. to 3:30 p.m.

Accessible Online via WebEx

OMH is dedicated to providing individuals and families access to quality, integrated services and supports that foster recovery and well-being; public input is crucial in assisting the agency in meeting the needs of all of the people we serve. This November, OMH will be conducting a Statewide Virtual Town Hall with Commissioner Ann Sullivan, M.D. presenting and taking feedback on key agency priorities. It will be held [online via WebEx](#) in order to maximize access for public participation, with limited in-person seating available in Albany for attendees who are unable to access the event online.

This event will provide the public an opportunity to learn more about the OMH vision for the future, including progress on the Commissioner's top policy and planning priorities presented at last year's town hall. Comments and questions can be presented both online and in person for those attending at OMH Central Office in Albany (44 Holland Avenue, Albany, New York, 8th Floor Conference Room). All comments will be reviewed and considered in the development of the OMH Statewide Comprehensive Plan pursuant to Section 5.07 of NYS Mental Hygiene Law.

Registration is now available by going to <http://www.omh.ny.gov/omhweb/planning/507/>. If you require any special accommodations to participate in the event or have questions about the format, please contact Ben Rosen at (518) 474-1897.
