

Questions & Answers for
Apartment Treatment Housing for Adults with Serious Mental Illness Request for
Proposals Hutchings and Buffalo Psychiatric Center Catchment Areas

- Q. Can a daisy chain be used for the placement of a referral from a State or Article 28 hospital? In other words, can a person referred from one of the priority populations be placed in a more intensive setting and a person from a more intensive setting be placed in one of these treatment apartments?
- A. Yes, a proxy is an acceptable referral as described in the above example.
