- 1. Can I apply for an employee for whom our agency was awarded in a previous round of CMHLRP?**

One of the eligibility criteria is “Not fulfilling the service obligation of another round of CMHLRP; if withdrawn before completing the service obligation for a previous CMHLRP round, has repaid any CMHLRP funding in full before time of application to this round of CMHLRP.” There is nothing in Round 6 prohibiting reapplying after successful completion of the 3-year service obligation; however, the service obligation periods for all previous rounds of CMHLRP (Rounds 1-5) will end after the latest start date for Round 6. For future rounds of CMHLRP, all eligibility criteria will be posted and should be reviewed before application.
