

Forensic Assertive Community Treatment (FACT) Central New York Region Questions and Answers

1. Can the role of Psychiatrist be fulfilled virtually? If so, any limitations.

Answer: The Psychiatrist or NPP should not be fulfilled virtually. The psychiatrist/NPP completes the initial assessment in the community. Visits by the psychiatrist/NPP should be completed in the community at least quarterly thereafter, or more if clinically indicated.

2. If selected are recipients expected to serve multiple counties?

Answer: No, the awardee is not expected to serve multiple counties.
