Should there be any conflict between the language of this Business Associate Agreement and any other contract or agreement entered into between the Parties (either prior or subsequent to the date of this Business Associate Agreement), the language and provisions of this Business Associate Agreement shall control and prevail unless, in a subsequent written agreement, the Parties specifically refer to this Business Associate Agreement by its title and date, and specifically state that the provisions of the later written agreement shall control over this Business Associate Agreement; except that in the event of a conflict with Appendix A (Standard Terms and Conditions of New York State Contracts) in any agreement to which such Appendix A applies (either prior or subsequent to the date of this Business Associate Agreement), Appendix A shall govern.
